

Hymns in the LDS Hymnbook (1985) that can be sung using only 3 chords

This is in conjunction with page 91 in the Great Big Guitar Method – “Singing and Playing By Ear”.

If you feel like you need an extra chord in a song, try the basic minor chords – Em, Am, Dm, Bm, etc., or any other chord that you think will work. Experiment. There is not enough time to explain all the ins and outs of harmony!
